Dear Parents,

We will once again be using Florida Virtual School for our secondary foreign language classes next year. You and your student will need to complete and sign the Florida Virtual School Commitment Agreement to register your student for the course. We are asking that you return the completed form to the WHCS office along with the rest of your registration paperwork.

By signing the commitment agreement, your student is agreeing to exercise academic integrity by submitting 100% of their own work and committing to comply with all the policies and procedures of the Florida Virtual School as listed on flvs.net. Your signature as a parent/guardian authorizes the enrollment of your student into the Florida Virtual School program.

I am excited about the opportunity to again oversee our FLVS students. Your child is expected to complete weekly predetermined goals. Your encouragement and support is greatly appreciated. You should expect to receive phone calls and/or email updates from your student's FLVS teacher on a regular basis throughout the school year. Please be attentive to these. Failure to do so could result in them being dropped from the course.

If you have any questions, I can be reached by email at trawles@whcsonline.org. We look forward to a great year at WHCS!

In His Service,

Tiffany Rawles

Student Commitment

By signing this commitment, I agree to submit 100% of my own work; and I commit to Academic Integrity registering as a student at FLVS. I also agree to take a proctored exam at any time if requested and to comply with all of the policies and procedures of the Florida Virtual School listed on flvs.net. Failure to comply with the Academic Integrity commitment of taking a proctored exam will be grounds for removal from the FLVS program.
